<p style="text-align: center;"><i>Rate Request at Germany</i></p> <p>1. The RIV asks for information concerning Heinrich MUELLER, nicknamed Gestapo-MUELLER, born 28 April 1900 in Munich, former SS-Gruppenfuehrer, Lt. Gen. of police and Chief of Amt IV of the Gestapo in Reichssicherheitshauptamt (RSHA).</p> <p>According to unconfirmed information of a correspondent of the Daily Mail in London, MUELLER is still living, and it is sus- pected that he is working for a Russian intelligence service in some way. According to other information, some of which came from former members of the RSHA, MUELLER was killed or committed suicide in the last days of the war in 1945 in Berlin, and is buried in the Standort-Friedhof in Berlin-Neukoenig, Lilienthalstr. 35. Allegedly, the grave was opened at one time by order of an allied service. The exhumation of the body resulted in proof of MUELLER's death.</p> <p>2. The RIV asks if we have any information concerning the above matter, and particularly if we know anything about the exhumation of the body and the results of this. Bonn Base files show no identifiable traces on the name.</p> <p>3. Intelligence Division, USAREUR, is being queried locally.</p>
